VICAR'S LETTER

Dear Brothers and Sisters in Christ,

The kingdom of heaven starts from tiny and sometimes unrecognisable actions that add faith-changing value in the life of the church and individuals. You may want to think of any activities or acts of kindness that you may consider as insignificant which made impact into the lives of other people. Jesus uses the parable of the mustard seed that grows into the greatest of shrubs and allows the birds of the air to come and make nests in its branches.

Let us engage in different ways that can contribute to the building of the Kingdom of God. It does not matter how small our contribution is. As in the parable, we must trust that the little seeds we plant will grow, and one day provides shelter for another. This is how the kingdom of heaven works.

Rev Jairo Nyaongo
